

2025-2026 Tuition Rates & Fees

Effective June 1, 2025

The Rock Academy ELC offers full-time care for infants through preschool age children. All fees cover the "space" that we reserve for each student, and overall Center operations. Our goal is always to provide reasonable tuition rates for the families we serve, while providing excellence in care and education!

The Rock Academy ELC Full-time Weekly Tuition Rates:

Please Note: Part-time rates are the same as our Full-time Rates.

Class Grouping:	Ages	Full-Time	Part-time
Infant	6 weeks - 12 Months	\$218	\$218
Toddlers	1 years- 2 years	\$208	\$208
Preschool	3 years - 5 years	\$198	\$198
VPK Wrap Around	4 years - 5 years	\$131	\$131

Tuition Rate Adjustments and Increases

Tuition Application: In the 2025-2026 school year, tuition rates will be applied for the full school year according to each student's age grouping at the START of each new school year or summer. This may also be determined at the time of initial enrollment, if enrolling after the school year begins. Tuition adjustments will only be made at the beginning of each new school year or summer, which is on or around June 1st.

Tuition Rate increases: Tuition rates are subject to change according to annual budget and operational assessments. If tuition rates are increased, families will be given at least a 30-day notice.
